Environmental Policy

Verdant View Ltd cares about the environment and does all that is possible to protect it for future generations

It is the policy of the director to do all its business in a way that will lessen or eliminate any adverse effect on the environment.

To meet the objectives of this policy, Verdant View Ltd is committed to:

- Developing a culture in which the protection of the environment is encouraged by greater awareness, understanding and management of environmental issues.
- Complying with all applicable environmental legislation, codes of practice and customer requirements both now and in the future.
- Undertaking measures to prevent and reduce pollution.
- Undertaking a regular review of all its activities with a view to achieving continual improvement in its performance.
- Providing appropriate and relevant environmental training for all members of staff.
- Ensuring that all staff has a chance to put forward ideas that can reduce our impact on the environment.
- Undertaking waste reduction, reuse and recycling activities where possible.
- Using material from sustainable resources and where reasonably practical from local suppliers.

Verdant View Ltd will make this policy available to all staff, customers, contractors and the general public.

The director of Verdant View Limited expects all employees and contractors to conduct their duties in accordance with this policy.

Signed by Director

David Davis
